Welcome

The Expo at Mundo Imperial is part of a mega-development that unites a Resort, an Entertainment Center, a Promenade, a Spa and of course a Convention Center – which together create an integral concept that combines entertainment, business, hospitality and luxury.

Mundo Imperial will reposition the country's most popular destination as the number one destination in the world – filling an existing void in the Mexican market with the creation of the largest ballroom in Mexico. Located just 200 miles away from Mexico City, Acapulco is the ideal weekend getaway destination.

The Expo at Mundo Imperial is located in the most exclusive area of Acapulco – Acapulco Diamante, and its more than 355,000 sq. ft. of meeting and exhibition space is complimented by regal architecture, state-of-the-art technology and a world class service.

The center is managed by SMG, the world leader in private facility management. Along with the other 55 SMG managed centers in North America, the Expo at Mundo Imperial is sure to be a must on the national and international convention circuit.
